

*Coating Technology for
the Next Generation*

ABOUT US

Chemilac was founded in 1973 by our founder Mr. H.L Sindwani and over the years we have grown and established ourselves as one of the leading manufactures of Paints in Northern India.

Our factory, located in Faridabad, is equipped with modern paint manufacturing facilities with state of the art equipment's and research & development laboratory. The activities of the said R&D comprise basic and applied chemical research, quality assurance, new product development and technical support to production, customers & suppliers. Also our production is managed and supervised by a team of highly qualified paint technologists, which have a vast experience of making sophisticated finishes.

MISSION

Our mission is to provide top quality products at competitive prices and provide premium quality coatings. We seek to provide these services in a timely manner and with a comprehensive quality control program to provide 100% customer satisfaction, ensuring a mutually beneficial long term relationship between our business and our customers.
